Camp "Good News" - summer 2009

June 20 – June 27, 2009

Jesus said, "You did not choose me, but I chose you and appointed you to go and bear fruit – fruit that will last. Then the Father will give you whatever you ask in my name. This is my command: Love each other." John 15:16-17

Camp "Good News" is a Christian camp, for children from 6 – 16 years old, who come from the poorest of the poor families and have never experienced the joy of a summer camp. One hundred thirty children that have never been to camp will have the opportunity to experience the blessing of a camp this summer. The camp will be run similar to a V.B.S. The team will integrate bible teaching, crafts, song, outdoors and indoor recreation and of course lots of love to the children. The week will be spent at a camp lead by Sue Korthauer. She has been leading missions into Moldova for 8 years. The camp is located about 1 hour outside of Chisinau the capital city, the same location which accommodated 132 children for 1 week last summer. The children have enjoyed the blessings of the camp and the majority of them for the first time heard the Good News.

It will take \$75 to send a child to camp for a week. This amount of money provides the food, daily snacks of ice cream and fruits, and all the supplies, hygiene packs, backpacks, camp T-shirts, teddy bears, bandanas, baseball caps, journals and a Bible.

I understand that God has not called everyone to support these campers financially. If you would still like to support the campers, please consider becoming a prayer partner for the campers and the team involved. A prayer calendar will be mailed upon your request; it is only through the prayers of His people this camp will become all God purposed it to be.
