

I am thankful to God for the opportunity to serve in the wonderful Camp Good News 2006. It was my first in a camp like this. I had 8 girls in my cabin, age from 12 to 16. These were the girls I spent most of the time for the week of camp. During the time at camp I got to know them, love them and tried to show them my love for God and them.

I was trying to communicate with each girl individually, sharing with them God's love and His plan for our life. Viviana was the one that accepted Christ one day during my time with her, that was such a blessing. Unfortunately, not all of my girls made decisions to accept Christ, but I know the seeds have been planted.

I really enjoyed the activities and the time as a team sharing testimonies.

Many of my girls still had questions unanswered; I took their addresses so we could write letters to each other and I could direct their first steps of the Christian walk. I will continue to pray for them, that God will continue to work and change their hearts.

May God bless Mama Sue and all the people which made this camp possible, may God continue to bless you as you continue this not easy work for God's glory.
