

I praise God because He gave me the opportunity to be a part of Camp Good News. This was a true blessing ... The kids – they are part of the change in my heart and my life! It was such a joy seeing how they are willing to start a new life with God, knowing that back home they had to face their families and friends...

It was so great observing how they change and they seek to do things better, how they open their hearts and ask God to do for them what they cannot do without Him. And now, their goal is simply to stand before God with a prepared and willing heart and then let God do his work!

I glorify Him for making us such a good and strong **TEAM**. This is what I most valued! Because as a team we all have chosen **LOVE** – to love God and what God loves, **JOY** – to refuse to see people as anything less than human beings, created by God; **PEACE** – to live forgiven and forgive; **PATIENCE** – to overlook the inconvenience of the world; **KINDNESS** – to be kind to the unkind, for such is how God has treated us; **GOODNESS** – to confess before we accuse; **FAITHFULNESS** – to keep our promises; **GENTLENESS** – because nothing is won by force and **SELF-CONTROL** – to be influenced and taught only by God.

God created this team to make an enormous impact on those children and people for “WE are chosen people, royal priests, a holy nation, people for God’s own possession. As a result, we can show others the goodness of God” (1 Peter 2:9)

We were not only a team, but a family...

I pray that those kids “plant goodness, harvest the fruit of loyalty, plow the new ground of knowledge” (Hosea 10:12)
